

AlphaGuide

Your Useful Business Travel Tool

At Alphabet we understand the challenges company drivers face on a day to day basis, so have packed our app AlphaGuide full of features to provide you with clever functionality and all the information you need for your business travel.

How to set up AlphaGuide:

1) Download the app and become familiar with its functions.

2) Validate your identity using your email, we will send you a verification code to enter in the app.

3) Connect your contract using your contract number and registration number in your welcome letter.

It can take 3-5 days from the date you receive your new vehicle to connect your contract. If you experience a delay please don't hesitate to contact us.
